

Chapter #84, Daughters of Holy Trinity from Holy Trinity Anglican church in Madison, MS, was instituted on Sunday, February 19, 2017.

This is inspiring story about how this chapter came about. Cindee H. (pictured far right) left St. Stephen's church in Flowood, MS, where she was a member of our St. Stephen's chapter, in 2014. After two years at Holy Trinity, God called her to become active again as a Daughter.....and to start a chapter with Cynthia M. who joined Holy Trinity. Cindee called the membership chairperson last April, concerned as to whether or not this could be done since she had not been active and was two years past due in her dues. After we spoke, Cindee met with her Priest, who fully supported her, brought her dues current, and with Cynthia, began the ground work for creating this chapter. Here is what Cindee says: *"It never ceases to amaze me how God can work in our live's when we just allow his grace and spirit to take the lead!!"*
