

## Fall Gathering of the Anglican San Joaquin Diocese

The Fall Gathering of the Anglican San Joaquin Diocese was held August 27th, at Saint James' Anglican Cathedral, in Fresno, CA. We were especially honored to host many Daughters from within the diocese as well as three Provincial Officers: Ruby Mayrath, President from Oklahoma, Sue Klos, Second VP from Tallahassee, FL, and Mitzi Wilson, In Christ Alone Fund Chair from Charlotte, NC. After a hearty breakfast, then Eucharist, Bishop Mennees spoke on how God reveals His will to us. Towards the end of the gathering, the various chapters (of which there are 14 in the diocese) shared what is going on in their individual chapters. This was the last Gathering at St James' Cathedral. Due to a ruling by the California Courts, the Anglican churches are having to leave their properties and find new places to worship. What an encouragement it was to have the Provincial DHC leadership show their Christian love and give their testimonies of how God has transitioned their own churches into new places. May God bless them for this gesture of solidarity to sisters-in-Christ. Even though some of us had many miles to travel to get home, we were greatly blessed when Ruby suggested that we all join in a healing circle of prayer. To God be the glory as we soldier onward in faith to honor a great and loving Triune God.
